

Privacy Policy

Effective Date: 16 Sept 2026

1. Introduction

Welcome to **Victory: Learn English from Hindi** ("the Game"). Your privacy is important to us. This Privacy Policy explains how we handle your data when you use our app.

2. Information We Collect

Our game does **not** collect, store, or share any personal information. However, we use **local storage** on your device to save:

Your game progress (completed levels)

The name you provide (for in-game congratulatory messages)

This information stays on your device and is never transmitted to external servers.

3. Third-Party Services

Our game uses **Google AdMob** to display ads. AdMob may collect data such as:

Device identifiers

Advertising interactions

General usage statistics

This data is managed by Google and subject to their privacy policies. You can review Google's Privacy Policy here: <https://policies.google.com/privacy>

4. Data Security

Since we do not collect personal data, there is no risk of data breaches from our side. Your game progress and entered name are only stored locally on your device.

5. Children's Privacy

Our game is intended for users **aged 13 and above**. We do not knowingly collect or store any

personal information from children under 13. If you believe a child has entered sensitive information, please delete the app to remove any stored data.

6. Changes to This Privacy Policy

We may update this Privacy Policy from time to time. Any changes will be posted within the game or on our official page.

7. Contact Us

If you have any questions about this Privacy Policy, you can contact us at:
