B. Executive Vice President: Connor Domke

- 1. Made a ton of updates to the website after last week's meeting, the only thing left to be updated is the members page using headshots we got from the CSG retreat. New Constitution and Bylaws are updated and on the website, Committee methods of order and contacts, new class presidents and contacts, as well as other quality of life stuff have all been updated.
- 2. Please let me know if your class board or committee has regular meeting times so I can put those on the website. If you aren't meeting regularly, still let me know when you are having a meeting so I can try and attend/stop in!
- 3. Committee heads, please be thinking of ways to attract regular student body members to join committees, I think it would be really good for CSG. I have been floating an idea of putting a CSG ad in the Communique for like a year now. I think doing one to attract people to committees could be a good idea.
