Creative Process Quiz

What did Logan and Nick mention is interesting about being on a roll, creatively?

- A. That it often happens at the most inconvenient times, like right before bed
- B. That it makes you crave snacks more than usual
- C. That forcing creativity can break it
- D. That you can create more in one sitting than in weeks of normal effort

What does Nick say he needs to do when he gets on stage at a show?

- A. To not focus on being funny to perform well
- B. He needs to check the lighting equipment himself
- C. He needs to remind himself not to trip over the mic stand
- D. He needs to let go of his thoughts and perform naturally

What does Nick say going somewhere exotic might do for you?

- A. It makes you instantly fluent in another language.
- B. It can spark creativity and refresh your perspective
- C. It guarantees you'll come back with a suntan
- D. Spark your subconscious with a creative idea

What business model does Logan not recommend for an illustrator?

- A. Uploading a piece of art just for the sake of uploading it
- B. Selling drawings only at farmers' markets.
- C. Working purely on commission with no personal projects
- D. Trying to sell art exclusively in vending machines
