

## **Committees**

### Section 1 - Creation

- a. Each chamber of Congress can create or modify committees by the passage of a resolution.

### Section 2 - Overseeing Committees

- a. The Congressional Leaders (Speaker/President Pro Tempore, Maj/Min Leaders) shall be the primary overseers of committees. They are responsible for overseeing any amendments, or votes done in committee.
- b. Once a bill has been fully amended by committees, the bill will be sent to the mods who will then put the bill up for vote.

### Section 3 - Activity

- a. The Head Clerk can shut down committees if there is a lack of activity on behalf of the members of Congress or if Congressional Leadership has continually not been carrying out their duties.
- b. Committees should be restored when activity is boosted, or committees are amended to lower the activity required for them to function.
