

October 26, 2011

1. Your teacher will lead you in a demonstration of effective Google searching
2. Next you will complete a Google Scavenger Hunt
 - a. Copy (not cut) the Google Scavenger Hunt from the shared student directory (7E > Google Scavenger Hunt >)
 - b. Save this document to an appropriate folder (e.g. computers)
 - c. Open the document and begin
 - d. When you are finished, make sure your name is on the top and print it
 - e. Hint: Alt-Tab toggles between active programs (this is a shortcut)
3. You may not begin work on your [author poster project](#)
