

Dear Freshmen and Parents/Guardians,

Reminder, there is a half-day on Wednesday, December 15 for staff in-services.

Check your email frequently. This is the primary form of communication for teachers and counselors.

Your teacher recommendation for next year's course placement is occurring right now. If you have a desire to change your level, please have a discussion with your teacher as soon as possible.

If you have not completed your YouScience assessment in SCOIR, please spend some time exploring it. After completion of this assessment, it will generate a list of possible career pathways based on your responses. If you have not logged into your SCOIR account, email your counselor for an invite.

Students be sure to check out [What's YouScience: Discover Career Perfect for you](#) video and all that career tests can do for you!

Students have free access to Albert io which is a resource for SAT/ACT prep and support for academic classes. Please view this [link](#) for more information about SAT/ACT prep.

RVCC will be hosting their final *on-campus* Honors College/NJ STARS Info Session of the semester on **Wednesday, December 15<sup>th</sup> at 6:00 pm**. Students interested in learning more about both programs will be able to hear from both current (& former) Honors College & NJ STARS students talking about their RVCC/Honors College experiences as well as the transfer process (post-RVCC).

To learn about our program, please visit the Honors College page (including some videos that highlight various aspects of our program): <https://www.raritanval.edu/academic-programs/honors-college>.
