

Hello Parents & Students,

We have some news from the USDA and OSDE for the 2021/2022 fiscal year. While we will still offer free meals for all students, we are being required to produce more accurate representations of student breakfast and lunch numbers moving forward. Little Axe Staff are working tirelessly to get all student IDs printed out ASAP. We really need your help to produce accurate records for USDA and OSDE, this includes accountability with your student(s). Please ensure THEY HAVE THEIR ID(s) WITH THEM DAILY after receiving them when you send them off for the day or as you drop them off at school and remind them to present the ID when they have breakfast and/or lunch. We understand there have been many changes over this past year and it has been stressful for everyone. We really appreciate your support and know that we are here to ensure the safety of your child and that with your help, we can continue to offer free meals for the remainder of this school year.

Sincerely,

Child Nutrition Staff
