1. Budget Hearing Prep

1. Pam Martin and the School Board reviewed the budget. One change was the High School tuition cost which should be \$21,938. Because of this, the overall budget will need to be adjusted. Mike Furgal and Tim Smith agreed that because of the surplus that is in the contingency fund, no need to change budget because we can use money from this fund if needed. Budget amount was not changed.

2. Other: none

Privilege of the Floor #2: Parents at the meeting spoke about the Mission and Vision Statement which was updated. Also, the parents at the meeting who are members of the WVES PTO, would like to support all cohorts with their fund raising moving forward. The Board suggested that this is a PTO matter, and the School Board encouraged these parents to discuss with the WVES parents.

Tim Smith “I MOTION to close the School Board meeting.” Mike Furgal seconded and closed the School Board meeting at 5:50.
