DON'T BRING

- Mess kits
- Technology is ok for car rides but must stay in cars including phones
- Any kind of in tent heaters
- LED Lanterns/Flashlights

1. **We recommend putting all clothing in Stuff sacks that are weather resistant inside a large duffle or backpack. Most Campers use 2 sets of stuff sacks.**
2. **All items should be in some kind of rugged Bag/ Stuff sack. Please no loose sleeping bags, pillows or trash bag luggage. You can get a larger stuff sack for these. We don't want to confuse belongings with garbage or things end up in the dirt!**
3. **Label all items. All gear & clothing looks the same.**
