

When we play

We play once a week, usually on a Sunday, sometimes on a Saturdays, depending on people's availability. We usually start at 4pm GMT and play for 6-8 hours. Kiwis join in when they can and for however long they can.

What we play

We play a mixture of TvT, FFA PvP and COOP. Most of the scenarios we run are developed by fellow Kiwis but we do also play Battle Royale mod as teams. We use minimal hierarchy in game to support team coordination and do not follow strict military ranking. Roles within scenarios are shuffled every time according to ability.

Mods we currently use

- 1) Battle Royale
- 2) ST UI
- 3) CBA
- 4) TFR
- 5) ALiVE
- 6) RHS: Escalation

General rules of conduct

We aim to be excellent to each other at all times. There is no room for any kind of cheating, hate speech or unabated salt. Everyone is expected to be polite and mature to a certain degree.

Rules regarding new members

Every new member has to go through 6 weeks of probationary period. This means that your status with us can be terminated at any point during this period if you are found unfit for purpose.

We hope to see you in-game!
