B&H Worldwide Relocates Auckland Warehouse to Strategic New Location

Auckland, New Zealand – B&H Worldwide, a global leader in aerospace and aviation logistics, is pleased to announce the relocation of its Auckland warehouse to a new location. Effective immediately, the company will commence operations from its new address: 142 Westney Road, Mangere, Auckland 2022, New Zealand.

The strategic decision to move to this new location underscores B&H Worldwide's commitment to providing exceptional aerospace logistics solutions to its valued customers. The new warehouse offers unparalleled advantages, including its proximity to Auckland Airport, just a five-minute drive away. This prime location, coupled with the facility's close proximity to major transportation hubs, will significantly enhance operational efficiency and expedite cargo handling processes.

"We are excited to announce the relocation of our Auckland facility," said Lee Hedges, Station Manager of B&H Worldwide in New Zealand. "This move represents a significant investment in our operations and reinforces our dedication to delivering world-class aviation logistics services to our customers. Our new warehouse will provide us with the infrastructure and capabilities to further enhance our service offerings and meet the evolving needs of the aerospace and aviation industry."

In addition to its strategic location, the new facility boasts a dedicated team of experts who will streamline customs clearance processes, ensuring smooth and efficient cargo movement. B&H Worldwide's flexible warehousing solutions and airside access further solidify its position as a leading provider of comprehensive aerospace logistics services.

The relocation to the new warehouse marks an exciting chapter for B&H Worldwide in New Zealand. The company remains committed to delivering exceptional service and building strong partnerships with its customers.
