

## **Here is your One-Stop Destination To Cross All Language Barriers.**

Language barriers may seem intimidating, but we've got you covered! Feather Translators is a NAATI certified translation service that provides high quality translations from over 150 languages. Whether it is business-related paperwork, academic transcripts or personal documents work that you need translated, our NAATI accredited translators are there for you.

### **How it Works**

It only takes a few clicks to get your documents translated by skilled and experienced NAATI certified translators. Our translators have an in-depth understanding about the nuances of language, and are committed to delivering their best work in the least amount of time. All you need to do is upload your documents, select the language from our list of 150+ languages, and specify any additional requirements. Your high quality, accurate and reliable translation would soon be on your way.

### **What we Offer**

We translate a wide variety of documents, including legal contracts, medical documents, personal documents, literary works etc. In addition to our translation services, we also offer high quality transcription services, which include podcast language transcription, as well as interview and meeting transcription. So, Feather Translation is a great choice for you, if you're looking for linguistic excellence in your translations and transcriptions. Our translations are all done by dedicated human translators (not software or AI), who are well-equipped to handle the nuances of language, and cater to your requirements.

### **A Commitment to Quality**

If you're concerned about the quality and efficiency of our work, rest assured, for we are committed to delivering high quality translations that take into account all linguistic nuances and subtleties. Our NAATI certified translation service ensures high quality through a rigorous quality check.

We are also happy to cater to your specific needs! If you are in a hurry, you can avail of our Same Day Translation services. We also accept an unlimited number of revisions till you're fully satisfied.

We are also committed to handling your documents and audio files with great care and responsibility, before delivering the best results at affordable prices.

### **ISO 17100 Certification**

At Feather Translation, we are committed to quality, reliability and efficiency. We maintain high standards for our translation services, and this is reflected in the ISO 171000 Certification we've received. In order to attain this certification, we had to meet stringent criteria regarding quality, resource management, core processes, and overall excellence.

We take pride in meeting the high standards that have helped us attain this certification, as well as in our commitment to excellence. We handle translations with the utmost precision, sensitivity and care, ensuring linguistic nuances are preserved, and cultural sensitivity is ensured.

### **NAATI-Certified Translators**

The National Accreditation Authority for Translators and Interpreters (NAATI) sets high standards for the translators and interpreters in Australia. A NAATI certification ensures that translations meet high standards of quality and reliability. At Feather Translation, we provide the services of NAATI-certified translators, who are committed to providing high-quality translations that cater to your requirements.

### **Flexibility**

Concerned about what format to send your document in? There is no need to worry, since we provide the utmost flexibility when it comes to format. You can send your document as a text file, an image file, a spreadsheet, or any other format, and we will translate it for you.

We support HTML, JPG, XLSX, DOCX, TXT and many other formats.

### **The Languages We Translate**

At Feather Translate, we recognize the growing connections between different cultures, and how that has led to a rising demand for translations from different languages. We offer translation services for over 150 different languages. Including Spanish, German, Thai, Arabic etc. as well as many lesser-known languages. We are aware that each language has their own set of nuances and complexities, and so

we take care to ensure that our NAATI certified translation experts take those into consideration. You can explore the various linguistic possibilities with a click of a button.

### **Find Us All Over Australia**

We're available in all of Australia's prime locations-Sydney, Melbourne, Perth, Adelaide, Canberra, Gold Coast, and Darwin. So if you're looking for a NAATI certified translator in Australia, who delivers from these locations, we've got you covered.

### **Frequently Asked Questions (FAQs)**
