

Noodletools: Getting Started

1. Go to <https://www.noodletools.com/>
2. Click on the LOG IN button in the upper right corner
3. Click Sign In With Google
Enter your school google account to sign in
4. Select Locations: Arcata High
5. Select I am a Student or Patron
6. Click Create Account
7. Select your year of graduation (this is very important as I delete accounts of graduates, or those with no year of graduation)
8. Click the green + New Project button in the upper right corner
9. Write in a project title
10. Select MLA and Advanced, click Submit
11. You are now on the DASHBOARD page.
12. Teachers may want you to SHARE WITH A PROJECT INBOX
13. Click in the Project Inbox Field and type in your teacher's last name. Select the correct class period.
14. Click DONE.

You are now ready to add sources and notecards to your project.
