PARADE RULES

Please follow instructions of the Kimball Days Parade Officials and Police Officers. Any unit not following instructions or any of the parade rules may result in immediate removal from the parade.

It is your unit's and participants responsibility to know and follow these rules:

- **NO EXCESSIVE FORCE should be used when throwing** candy or other items from parade units, due to safety concerns. Items should be gently tossed to the curb, to ensure the little ones are not running out into the street to grab stuff.
 - People handing out candy or other items need to keep up with their parade unit, out of respect to other units. It is not the intent of this rule to discourage the distribution of candy, coupons, or other advertising novelties; rather it is intended to prevent injury.
- Please allow approximately 30 feet of spacing between units to avoid gaps and crowding of units. There will be no parade officials monitoring this, so please do your best to adhere to the spacing guidelines.
- Alcoholic beverages are prohibited during the line-up, the parade, and during the take-down of a parade unit.
- No racing of engines or careless driving during the line-up, the parade, or during take-down of a parade unit.
- All parade units with animals must provide immediate cleanup of waste throughout the entire parade.
- No unit may spray water.
- There is absolutely no riding on units or equipment not designed for such use. (example: Running boards, tractor fenders, etc)

Proof of Insurance & Waiver

1. You must provide Proof of General Liability Coverage for your unit/float/group.
Please attach/include this with your parade registration form.

OR

2. You must sign this waiver here below.
