

Kansas Scholars

Qualified Admissions Curriculum (check approved course work)

Note: 1/2 credit = 1 semester

1 credit = 2 semesters

To be eligible for a completer certificate from the state or a state-sponsored scholarship program, you must complete all the required courses for the Qualified Admissions curriculum plus these credits:

- English – 4 credits required
- Math – 4 credits required
- Social Sciences – 3 credits required
- Science – Must include Biology, Chemistry, and Physics
- Foreign Language – 2 credits required

The Kansas Board of Regents will make the final selection of state scholars based on the GPA and ACT scores from all curriculum completers. Those designated as a state scholar will be eligible to apply for a scholarship in which financial need will be considered.
