

Trevor is the CEO of Carrot, one of the nation's fastest growing companies according to Inc Magazine, where they have helped the nations top real estate investors and agents pull in over 3 million online leads in just 5 years... closing thousands of deals... with their software and training. Trevor lives in Roseburg, Oregon with his wife and 3 kids, and is passionate about using business to fuel your passion and to amplify the impact you want to make in the world. Part of the impact he's passionate about making is helping entrepreneurs unleash that entrepreneurial dream of finally unlocking that FREEDOM, FLEXIBILITY, FINANCES, and IMPACT that you've dreamed of but haven't been able to fully make happen.

#699 on Inc 5000 (3x Inc 5000 List)
Portland Business Journal 40 Under 40
#8 Most Philanthropic Small Business in Oregon 2019
