

How to pre-order plants for pick up at the nursery

If you can drive to the nursery, you are welcome to pre-order plants for pickup during our open hours. Prepurchase is required.

We are happy to email a secure link for you to pay for your purchases. The following is required:

1. List of desired plants WITH pot size and number requested
2. Billing address
3. Name as appears on credit card
4. Phone number with working voicemail
5. Email
6. Nursery pick-up date (there is space to hold orders for up to two weeks.)

Please send this list via email to orders@dancingoaks.com

Please allow 2 business days for a reply. The office is not staffed on the weekend although the nursery is open. We will respond with a confirmation email after we check availability.

Please note there is a \$10.00 processing fee for orders of up to 5 plants. There is an additional \$1.00 charge for each subsequent plant. For example, an order of 10 plants will include a \$15 order processing fee.

You will be charged "at nursery" prices for your plants. There is a **10% restocking fee** for orders that are canceled.

For 1-2 plants valued at \$50 or less, to be picked up in 2 weeks or less:

- For this category of pre-orders, we will hold the plants for UP TO 2 weeks without any prepayment.
- If you do not arrive to pick up your plants within 2 weeks, your plants will be returned to our retail inventory.
