Parents/Guardians,

Every year, the Illinois State Board of Education requires schools to participate in a series of drills to prepare students in the event an emergency occurs while students are present in our building. I am writing to inform you that Paw Paw School will be conducting a Law Enforcement Drill on Friday, October 27. During this drill, students and staff will practice a lockdown. Students and staff are aware this drill will be taking place.

I wanted to be sure you were aware in case you would like to have a conversation with your student(s). If you do not want your child to participate or have any questions, please contact me at the email or phone number listed below. These types of drills are critical so we are ready for any type of emergency.

I appreciate your support,

Sincerely,

Ms. Jennifer Warrenfeltz
