

Odilon Redon-6th(greenhouse) Color Lesson Plan

Supplies:

colored construction paper
chalk pastels

Biography:

Elements of Art Lesson Plan:

- What colors do you see in the artwork?
- Where are they at on the color wheel?
- Are they bold or muted?
- What color is the central focus of the artwork?
- Are the colors in harmony or clashing?
- What feeling do they give you?
- Discuss plants. How do they grow? What is their food source? What are the students learning about plant cells?

Art Project:

- Let each student choose a color of construction paper.
- They should draw their own vase of flowers using the chalk pastels.
- Remind them that chalk pastels are often used by rubbing the side against the paper rather than writing with the tip.
- Encourage them to use an interesting combination of colors.
