

Presentation Title: Working with Survivors of Sexual Assault

Date and Time:

January 13, 2026

Venue:

HMHI Meeting Room B / Microsoft Teams

Continuing Education:

1 Contact Hour / 0.1 CEU / 1 Credit

Presentation Synopsis:

This presentation will provide an overview of the sexual assault statistics in Utah, factors that impact high rates of sexual assault, and an introduction to consent culture. The presentation will also cover strategies for working with survivors of sexual assault and an overview of services provided at the Rape Recovery Center.

Learning Outcomes:

Upon completion of this session, participants will:

- Have baseline knowledge of factors that lead to high rates of sexual assault,
- Basic knowledge of working with survivors of sexual assault,
- know how to refer a patient to a rape crisis center.

Presenter Bio:

Hope Walker, LCSW

Hope is the Clinical Director at the Rape Recovery Center. She earned her bachelor's and master's of social work at the University of Utah. Hope brings over a decade of experience in social work from working in child welfare, academia, private practice, and healthcare.
