Topic	Slide number
Template RDA Teaching Slides (title slide)	1
How to use this template	2
What is RDA?	3-8
RDA definition	4
Context for RDA	5
RDA implementation of LRM	6
Internationalization of RDA	7
Relationship with other standards	8
Theoretical grounding for RDA	9-14
Underlying conceptual model: IFLA LRM	10
LRM user tasks	11
RDA as practical application of LRM	12
LRM user tasks imply that...	13
Exercise: What kind of data will help an end user perform each of these tasks?	14
Entities	15-45
What is an entity	16
RDA entities	17
RDA resource entities	18
Work, Expression, Manifestation, Item	19
Exercise: Attributes and relationships	20
Diagram: a set of attribute and relationship statements...	21
Metadata description set for Entity A	22

Topic	Slide number
Metadata description set for Manifestation A and Expression B	23
Work	24
Expression	25
Manifestation	26
Item	27
Knowing about resource entities helps us learn to use RDA more effectively	28
Other RDA entities associated with resource description	29
Agent and subtypes of Agent	30-36
Place	37-38
Timespan	39-40
Nomen	41-45
Aggregates	46-53
Diachronic works	54-59
Collections	60
Non-RDA entities	61
Resource description	62-76
Resource description – Entity boundaries	63
Resource description – Elements	64
Recording methods	65-67
Example of unstructured description versus structured description	68-69
Transcription guidelines	70
Example of basic transcription versus normalized transcription	71-72
Structured descriptions that call for terms from a vocabulary encoding scheme	73
Locating string encoding schemes	74
Data provenance	75
What are element supertype, element subtype, superelement, and subelement?	76
Navigating and reading RDA	77-81
Looking up instructions in RDA Toolkit	78
Understanding the language of RDA	79
When to look up RDA Toolkit versus RDA Registry	80
Flow of updates to RDA Toolkit and RDA Registry	81
Application decisions for RDA	82-88
Application profile	83
Application profile examples	84
Policy statements	85
Community resources within RDA Toolkit	86
Community resources outside RDA Toolkit	87

Topic	Slide number
RDA implementation considerations	88
Questions about RDA	89
