# SCHOOL RULES

1. The students will live in a communal lifestyle with no time limit within these walls
2. The students may only go to sleep in the personal rooms prepared for them. Those who go to sleep outside of these rooms will be punished.
3. The students may walk freely and investigate this building as they please, so long as no destruction of things such as locks occurs.
4. Violence against the headmaster, Monobear, is not allowed. Destruction of surveillance cameras is not allowed. Those who commit either will be punished.
5. A student who kills another student will graduate the school, so long as they are not found out as the culprit by the other students.
6. Additional rules may be added whenever the headmaster sees fit.
7. Only males are allowed in the boy's changing rooms. Only females are allowed in the girl's changing rooms. Violators will be punished.
