2	2	2	3	3

Field Presence/Professionalism Summary

Needs to get the correct pants.

Players and coaches must be in the dugout during the plate conference.

Field presence was excellent.

Plate Work

Proper Slot Location	Tracking/Timing – Proper Use of Eyes	Strike Zone Accuracy/Consistency	Movement at/from Plate	Uses Proper Signals for all Calls	
3	3	3	2	2	

Very consistent strike zone.

Needs to get off the dirt and into the infield to watch fly balls and force play slide rule.

Plate Work Summary

Needs to follow runner down the foul line for possible help on pulled foot and swipe tag on plays to 1st base

R1, R2 fly ball to the outfield, less than 2 outs, get up to third for a possible play.

Fly ball down the LF line, get out off the dirt and get a better look at fair or foul.

Bases loaded fly ball. Get. R3 lined up for possible, left too early.

Watch all touches of the plate by runners.

Mark is left handed. Needs to learn to use his RH for outs.

Had two excellent calls at HP, one to end the game.

When signaling to your partner, step to the opposite batters box.

Excellent called strike 3!!

Good Infield fly call.

Game Management Summary

Very good game management.

Proposed Improvement Plan

Biggest things to work on are:

Get off the dirt circle and get into the infield on fly balls and plays on the bases.

Use your right hand for call strike 3 and outs!
