

BAN Changes for Advisors in RPM ONLY

EXAMPLE:

PROVIDER NAME

OLD UNIQUE IDENTIFIER > NEW UNIQUE IDENTIFIER

In some instances, we have only had access to a customer name to utilize as the account number. When and where possible, we are reaching out to the provider to gain access to actual account numbers. The customer unique identifiers below are in the provider's terms. We will continue to use a unique identifier when and where possible rather than a customer name.

- Allied Telecom (RPM)
 - o Account > Custom Account Number
- Allstream (RPM)
 - o Rep ID > ICC Sub ID
- AT&T (CNSG via AppSmart Direct)
 - o BAN > Order ID
- AT&T (CNSG via SBS)
