August 23, 2023

Dear Friends in 27C,

We have some exciting news, with the encouragement and the main effort of Kathy Economy, our Vice Ward Chair, we now have a new website.

The web address is www.berncodemsward27c.org. It is live now. Check it out let us know what you think.

We have two city council races in our ward. Three precincts are in City Council district 4 and seven precincts are in City Council 8. We are working to help both campaigns because in order to get things done, Mayor Keller needs a council he can work with. Abby Foster is running against the incumbent. Brook Bassan. Idalia Lechuga Tena is not running again the incumbent but another challenger.

The District 4 precincts have started working to help Abby and I want to have a ward meeting to help everyone in City District 8 get to know Idalia and see how they can help. We will be having a ward meeting September 10 , 4-5:30pm at the Academy Hills Park (north side). There will be water to drink. If you want, bring your own chair or a blanket to sit on.

I will be sending out more information, as we flesh things out.

In Solidarity,

Scotti Romberg

Ward Chair 27C
