3# subject line- get copywriting clients dying to work with you

(name),

If you are frustrated in trying to get your first copywriting client

You're missing **one crucial step** that will change your copywriting outreach forever.

Copywriters who mastered this step had their first client paying up to 1k for a simple email.

Is it your offer?

Nope...

Your offer is extremely important but it's not the step that will get you clients.

In fact... if you master the step, clients will be begging to work with you.

You will be getting invoices almost effortlessly

Want to know what it is?

Well in this new youtube video i reveal it and a step by step tutorial that once followed will have clients throwing money at you!
