PRIVACY POLICY

Effective Date: april 10, 2024
Last Updated: april 25, 2024

This Privacy Policy describes Our policies and procedures on the collection, use, and disclosure of Your information when You use the Service and tells You about Your privacy rights and how the law protects You.

We use Your Personal data to provide and improve the Service. By using the Service, you agree to the collection and use of information in accordance with this Privacy Policy.

We process personal data only when necessary for the performance of a contract with you, for compliance with a legal obligation to which we are subject, or based on our legitimate interests, except where such interests are overridden by the interests or fundamental rights and freedoms for which require the protection of your Personal Data.

Our legitimate interests are to render and improve our Services in an effective, safe and harmless manner. We want to provide everyone with a fair and balanced experience when using our Services.

We and our employees understand the need for user privacy, and we maintain reasonable and appropriate security procedures to protect your information from loss, misuse and unauthorized access, disclosure, alteration and destruction, taking into due account the risks involved in the processing and the nature of the Personal Data.

Definitions

For the purposes of this Privacy Policy:

- **Account** means a unique account created for You to access our Service or parts of our Service.
- **Company** (referred to as either "the Company", "We", "Us" or "Our" in this Agreement) refers to Conmoto LLC.
- **Cookies** are small files that are placed on Your computer, mobile device or any other device by a website, containing the details of Your browsing history on that website among its many uses.
- **Device** means any device that can access the Service such as a computer, a cell phone or a digital tablet.
- **Personal Data** is any information that relates to an identified or identifiable individual, in particular, all information that identifies you:
  - **either directly,** for example, your last name, first name, email address or telephone number;
  - **or indirectly,** for example, your account ID, IP address, cookie identifier, or game data.
- **Service Provider** means any natural or legal person who processes the data on behalf of the Company. It refers to third-party companies or individuals employed by the Company to facilitate the Service, to provide the Service on

behalf of the Company, to perform services related to the Service, or to assist the Company in analyzing how the Service is used.

● **Usage Data** refers to data collected automatically, either generated by the use of the Service or from the Service infrastructure itself (for example, the duration of a page visit).

● **You (also referred as Client)** mean the individual accessing or using the Service, or the company, or other legal entity on behalf of which such individual is accessing or using the Service, as applicable.

Collecting and Using Your Personal Data

Types of Data Collected

The Company acquires various forms of Personal Data from its Clients who utilize the Company's Platforms or request, access or use the Company's products and services.

In order to establish a contractual relationship with the Company, certain Personal Data must be provided by the Clients. Failure to provide this Personal Data will result in the inability to open an account with the Company or receive any other products and/or services offered by the Company.

It is the responsibility of Clients to ensure that the Personal Data provided to the Company, either directly or through a third party, and recorded in their personal account, is accurate and up-to-date for the duration of their contractual relationship with the Company.

Usage Data

Usage Data is collected automatically when using the Service.

Usage Data may include information such as Your Device's Internet Protocol address (e.g. IP address), browser type, browser version, the pages of our Service that You visit, the time and date of Your visit, the time spent on those pages, unique device identifiers and other diagnostic data.

When You access the Service by or through a mobile device, We may collect certain information automatically, including, but not limited to, the type of mobile device You use, Your mobile device's unique ID, the IP address of Your mobile device, Your mobile operating system, the type of mobile Internet browser You use, unique device identifiers and other diagnostic data.

We may also collect information that Your browser sends whenever You visit our Service or when You access the Service by or through a mobile device.

We may collect your Data when:

• You play our games for the first time and create an account (hereinafter referred to as your “Account”).

• You sign into our Services with a social login or your credentials from a third party platform (for example, Facebook, Google Play, Apple Game Center).

• You purchase our Services.

• You use our games, applications, websites and online services on a computer or mobile telephone.

We collect: 1) Your game data, to improve your experience and the security of our Services such as: unlocked game progress, rewards, rankings, completed game missions, statistics including the game time or the use of the various

features as well as the data associated with any bugs and malfunctions. 2) Your login data, to enable the operation and security of our Services, such as: identifier of your device and the connection (IP address, MAC address), login dates and times, information concerning the device and the operating system you use.

- You interact with other players (forums, chat rooms).
- You are exposed to personalised advertisements or content on our Services or those of our partners.
- You take part in a contest or survey, or join a program, organised by the Company.
- You do not comply with the rules of the game.

Cookies

- We collect Data such as the advertisement and the number of times it was watched, its location in the Services and the identifier of your device. We also collect information about your actions in relation to the advertisement.
- We can combine the Data collected with our partners when you use our Services. We may also combine this Data with demographic, advertising and market studies or with other analytic surveys.
- We may also use all of your Data collected to offer you personalized advertisements, products, services or content (hereinafter referred to as "Personalized Content") via our Services or those of our partners.

We may share your Data with:

- The technical service providers involved in the supply of the Services. As subcontractors, these service providers are under the same obligations as the Company to comply with applicable personal data protection laws.
- The partners who use your Data to provide you with personalized advertisements or Personalized Content.
- Other companies, only in the event of a transfer of the Company's activities.
- Administrative or judicial authorities, to verify the proper use of the Data by the Company or for the purposes of an investigation, in compliance with applicable law. The Company always verifies the legitimacy of the request.
- **With Your consent:** We may disclose Your personal information for any other purpose with Your consent.

What are your rights?

- Obtain a copy of your Data – "Right of access and data portability".
- Correct your Data – "Right to rectification".
- Give and withdraw your consent – "Right to object and withdraw your consent".
- Delete your Account – "Right to erasure (right to be forgotten)".
- Limit the use of your Data – "Right to restriction of processing".

Delete Your Personal Data

You have the right to delete or request that We assist in deleting the Personal Data that We have collected about You.

Our Service may give You the ability to delete certain information about You from within the Service.

You may update, amend, or delete Your information at any time by signing in to Your Account, if you have one, and visiting the account settings section that allows you to manage Your personal information. You may also contact Us to request access to, correct, or delete any personal information that You have provided to Us.

Please note, however, that We may need to retain certain information when we have a legal obligation or lawful basis to do so.

Retention of Your Personal Data

Unless the law specifies a different retention period, the Company will only keep your Data for the time strictly necessary to carry out the operations for which said Data has been collected.

The Company will also retain Usage Data for internal analysis purposes. Usage Data is generally retained for a shorter period of time, except when this data is used to strengthen the security or to improve the functionality of Our Service, or We are legally obligated to retain this data for longer time periods.

Transfer of Your Personal Data

Your information, including Personal Data, is processed at the Company's operating offices and in any other places where the parties involved in the processing are located. It means that this information may be transferred to — and maintained on — computers located outside of Your state, province, country or other governmental jurisdiction where the data protection laws may differ than those from Your jurisdiction.

Your consent to this Privacy Policy followed by Your submission of such information represents Your agreement to that transfer.

The Company will take all steps reasonably necessary to ensure that Your data is treated securely and in accordance with this Privacy Policy and no transfer of Your Personal Data will take place to an organization or a country unless there are adequate controls in place including the security of Your data and other personal information.

Security of Your Personal Data

The security of Your Personal Data is important to Us, but remember that no method of transmission over the Internet, or method of electronic storage is 100% secure. While We strive to use commercially acceptable means to protect Your Personal Data, We cannot guarantee its absolute security.

Children's Privacy

Our Product does not address anyone under the age of 18. We do not knowingly collect personally identifiable information from anyone under the age of 18. If You are a parent or guardian and You are aware that Your child has provided Us with Personal Data, please contact Us. If We become aware that We have collected Personal Data from anyone under the age of 18 without

verification of parental consent, We take steps to remove that information from Our servers.

If We need to rely on consent as a legal basis for processing Your information and Your country requires consent from a parent, We may require Your parent's consent before We collect and use that information.

Analysis of usability and quality.

We consider that we have a legitimate interest in analyzing the Platform usability and the user's satisfaction degree since we understand that the processing of these data is also beneficial for you because the purpose is to improve the user experience and provide a higher quality service.

We may link to platforms or have third-party tools on our platforms we don't control.

If you click on a link to a third-party site, you will be taken to a site we do not control. We are not responsible for the privacy practices of third parties. This includes third parties who may have ads or content on our site. We suggest that you read their privacy policies carefully.

We may change this Policy.

From time to time, we may change our privacy policy. We will notify you of any material changes to our Policy as required by law. We will also post an updated copy on our Platforms. Please check our Platforms periodically for updates.
