IV. Reading comprehension.

Money is something we all take for granted in our lives. Some of us may(36)..... we had more of it but we all recognise it when we see it, whether in the (37)..... of coins, notes or cheques. It is difficult to imagine how people(38)..... without money. In the earliest periods of human history, people used to exchange goods directly. They would exchange things they had(39).....of for things that they were in(40)..... of. For example, they might offer food for tools. This(41)..... of exchange, which is known as 'barter" , has many disadvantages. Certain goods may be difficult to carry, they may not(42).....long, or may be impossible to (43).....into smaller units. It can also be very difficult to know the (44).....of something compared with other goods.

(45).....historians, the first money, in the sense we(46).....it today, (47)..... of gold coins produced about 2.500 years ago. Gold, being very precious metal, was a(48).....material. The introduction of gold coins was (49).....to everyone and they were still being used at the beginning of this century, although they have now been(50).....by paper money and coins made of ordinary metals.
