Date:...../...../2026

Requirements:

- Use tables and figures if necessary
- Each table/figure must include a number and source
- Avoid repetition of data

Example Table:

No	Variable	Result
1	Data A	85%
2	Data B	90%

Source: Research Findings, 2026.

Discussion

The discussion should:

- Interpret the research findings
- Relate the findings to theories
- Compare with previous studies
- Explain the scientific contribution of the research

6. CONCLUSION

The conclusion should:

- Answer the research questions
- Be concise and clear
- Avoid fully repeating the discussion
- Optionally include recommendations for further research

7. ACKNOWLEDGMENTS (OPTIONAL)

This section may include:

- Research funding
- Institutional assistance
- Academic support

8. CONFLICT OF INTEREST

Example:

The authors declare that there is no conflict of interest in the research and publication of this article.

9. REFERENCES
