7-7:15 PM: Tom Hallock, Treasurer of the Brookline Democratic Town Committee, will speak on Force Multiplier, a network of Massachusetts grassroots groups and Democratic Town Committees, on an effort to involve Massachusetts residents in Flipping the House.

So far, Force Multiplier has raised almost \$200,000 for 15 Democratic challengers who are trying to unseat Republican incumbents in districts we must win if we are going to take back the House. You can learn more about Force Multiplier and its slate of candidates here: www.forcemultiplierma.org.

Force Multiplier raised this money through monthly meet-the-candidate events. As we move closer to election day, the group is focusing on a campaign to support its entire Slate and hopes to raise a total of \$300,000. The group is also working on field activities, which we can do remotely here in Massachusetts to have impact in these key districts across the country.
