

Equipment Services in Chicago

Meta Description (155 characters):

Professional small engine repair, power equipment rental, and free sewer and water construction takeoff—trusted by Chicago contractors since 1982.

Expert Equipment Service. Right When You Need It.

At [A&A Equipment and Supply](#), we provide professional small engine repair, equipment rentals, and contractor support services for both commercial and residential clients across the Chicago area. Whether you're managing a construction site, maintaining city infrastructure, or caring for your home and property, our team provides the tools, expertise, and support you need to keep your equipment running strong.

[For more than 40 years](#), we have been serving contractors, landscapers, industrial teams, and homeowners with a deep understanding of the unique demands of every job. From heavy-use commercial machines to everyday residential tools, our certified technicians deliver fast, precise, and proven results that keep jobsites moving and homeowners prepared.

Commercial Equipment Services

Our commercial equipment repair and service division supports sewer, water, and construction contractors who depend on their equipment every day. We service and maintain the same professional-grade tools we sell and offer equipment rentals while we repair your tools — keeping your crews productive and your fleet in top condition.

If you're searching for "small engine repair near me" and are in the Chicago area, look no further than A&A Equipment and Supply.

Available Equipment Services

- Small engine repair for Honda, Kohler, STIHL, Husqvarna, Wacker Neuson, and Miller Welder
- Jobsite diagnostics, tune-ups, and preventive maintenance
- Welding, dewatering, and compaction equipment service
- Heater and generator maintenance for cold-weather operations
- Blade, clutch, and fuel system repair

Related Products:

- [Power Equipment](#): We offer saws, compactors, generators, pumps, and welders.
- [Equipment Parts](#): We provide replacement components, filters, belts, and blades for saws, pumps, compactors, and generators.
- [Equipment Manufacturers](#): We partner with the industry's most trusted brands to provide professional-grade power equipment, tools, and replacement parts for sewer, water, and construction.

Commercial Equipment Rentals

We have a wide range of power tools for rent, including saws, blowers, generators, compactor plates, and [Miller welders](#) available for short-term or emergency use. Don't let a hang-up in your equipment stall your project. Contact us for power equipment rentals while we repair your equipment.

Free Construction Takeoffs

We offer free [material takeoffs](#). Simply submit your sewer and water plans and allow our team to calculate the exact quantities, diameters, and types of pipe, fittings, and structures required for your project. This service eliminates guesswork, reduces waste, and ensures your material order is complete and accurate.

Residential Equipment Services

We bring the same professional quality and technical expertise to homeowners and small property managers. Whether you're preparing for winter or maintaining your yard in the summer, A&A Equipment and Supply makes equipment repair simple, fast, and affordable.

Available Equipment Services

- Free estimates and upfront pricing
- On-site service within 24 hours (based on availability)
- Certified small engine technicians
- OEM and aftermarket parts support
- 2-week average turnaround time
- Equipment maintenance services

Residential Equipment Repair Services

Homeowners and property managers across Chicago trust A&A Equipment and Supply for reliable small engine and power equipment repairs. Whether it's a lawn mower that won't start, a snow blower that needs a tune-up, or a generator that keeps your home running through winter, our certified technicians deliver fast, dependable service while combining professional-quality care with local convenience to keep your equipment ready for every season.

We repair these types of power equipment:

- Lawn mowers and trimmers
- Snow blowers and generators
- Chainsaws and edgers
- Compact tillers and pressure washers

Equipment Rental and Support

When productivity matters, A&A Equipment and Supply provides reliable rental solutions that keep your projects moving. Our power equipment rental fleet includes saws, compactors, generators, blowers, and welders, all serviced in-house and performance-tested before every job.

We offer flexible short-term and emergency rental options to support contractors, municipalities, and homeowners who need immediate access to dependable tools. Every rental includes expert guidance from our team to ensure you get the right equipment for the task, with pickup or delivery available across the Chicago area.

Available Rentals:

- Gas-powered saws
- Plate compactors
- Generators and Miller welders
- Leaf and debris blowers
