James Hart	24/08/2025	"Kiera was absolutely stellar on mixing my Character demo reel! Upon hearing the final mixed version, I was blown away by the level of immersion in each scene, and it showcased the quality of my acting to a level I could have never imagined! Alongside, the demo card and social media banners perfectly captured my branding, and Kiera was even nice enough to hop on call with me to make sure it was exactly how I wanted it. Kiera was responsive, kind and enhanced my demo to something beyond my imagination, 10/10!"	<a href="#">Twitter/X</a>
Elizabeth Knutson	01/08/2025	"I chose Kiera to mix my demo after hearing great things about her from others, and I'm so glad I did! She was super friendly, quick, and totally nailed absolutely everything I had in mind for the reel. She does high-quality work at a great price!"	<a href="#">Twitter/X</a>
MJ Scott	22/07/2025	"Kiera's work on my demo reel wasn't just fantastic quality when it comes to mixing and such, but in terms of speed Kiera was on top of it, and never left me in the dark! I would absolutely recommend her for mixing your demo!"	<a href="#">Google Drive</a>
Monaye Jordan	09/06/2025	"Kiera was a great communicator and easy to work with on my demo. She worked faster than I expected	<a href="#">Twitter/X</a>

		and even added more to it then I could even imagine. If you're looking for someone to mix your demo, Kiera is definitely the one to go with."	
Austin Boggs	31/05/2025	"Working with Kiera Rhodes was an incredible experience. Her direction brought out the absolute best in me, and her guidance throughout the process of creating my demo reel was nothing short of amazing. She knew exactly how to push me while keeping the environment supportive and creative. I walked away with a reel I'm genuinely proud of — and that's all thanks to Kiera's sharp instincts, patience, and passion for the craft."	<a href="#">Twitter/X</a>
Alex Wymer	10/05/2025	"Kiera was an absolute joy to work with from start to finish. Timely, even with other commitments, and with a job so well done the first time there were hardly any notes needed for a second. Professional and personable, I'd return to Kiera for another job immediately if given the chance."	<a href="#">Twitter/X</a>
Perry Hall	13/02/2025	"Affordable? Check. Quality? Check. Gets the best results out of your audio?!? Triple check!  If you want to get a demo mixed but aren't sure where to start and don't have an extra \$600 lying around, hit up Kiera!!! She's friendly, fast, and did a heck of a good job mixing my character demo! For people looking for a place to kick off their VA journey, I couldn't recommend anyone else. 20 stars!"	<a href="#">Twitter/X</a>
James Molloy	10/02/2025	"During the process of making my demo reel, Kiera ensured that I was happy with the finished product and was communicative throughout! Via the service she provided, Kiera really helped the potential of my character demo reel to be fully realized and I cannot thank her enough!"	<a href="#">Bluesky</a>
Riley Jett	24/01/2025	"Kiera did an awesome job on my character sample reel. She welcomed feedback, was receptive to my requested edits, and really took my voice to a whole new level. I'm very pleased with the final result and would gladly recommend her to others!"	<a href="#">Twitter/X</a>
Jennifer Heidt-Moore	24/01/2025	"Kiera did absolute magic for me with mixing and editing some old samples I had compiled and making them sparkle and shine! Her adding of sound effects, music etc and her editing was so smooth and brought everything together in a way that has impressed everyone I shared it with. Add to that she	<a href="#">Twitter/X</a>

		did amazing graphic work as well, it made the whole thing come to life. Before this sample reel got tiny little nods, but since her work on it, the attention that it has garnered really blew me away and made me over the moon happy. I cannot recommend her highly enough. Add to her amazing professionalism the fact that she is so easy to work with and helpful and you have the whole package. If you let her work her magic for you, you will not be disappointed."
