

Amesbury School - 2023 Donations

The Ministry of Education provides our school with an Equity-based Operational Grant, which is funding for the basic administration, teaching and property running costs of the school. As a school with a low Equity Index, our students generally face fewer socio-economic barriers than in many other areas, so we receive a smaller operational grant per student than schools with a higher Equity Index. Further information on the Equity Index can be found [here](#).

To enable us to provide quality education and additional resources to enhance learning, we rely on voluntary donations from parents. Voluntary donations are tax deductible (for further information, check the IRD website or go to; <https://www.ird.govt.nz/income-tax/income-tax-for-individuals/individual-tax-credits/tax-credits-f-or-donations>).

Here is the donation structure and amount for 2023 (which has not increased since the school opened in 2012);

2023	FULL YEAR (4 terms)	PART YEAR (3 terms)	PART YEAR (2 terms)	PART YEAR (1 term)
1 child	\$240	\$180	\$120	\$60
2 children	\$400	\$300	\$200	\$100
3 or more children	\$480	\$360	\$240	\$120
<i>Thank you for your support</i>				

Payment

Payment should be made via the school's [online shop](#). Login to your shop account, then select "School Donations" from the home page. From here you can select the donation amount that you wish to pay.

We hope that you will be able to assist us in providing additional resources and investing in your child's education, and thank you in advance for your support of Amesbury School.
