

Original Japanese:

本作は、「ゼルダの伝説 ティアーズオブザキングダム」の中で、断片的に描かれた、太古の封印戦争の時代が舞台になります。

原初のガノンドロフの脅威に人々がどのように立ち向かっていくのかを「ゼルダ無双」の遊びとして、体験することが出来ます。

今作でしか知り得ない物語としては、封印戦争の戦いの側面だけを無双で描くのではなくて、ゼルダ姫が太古の世界に現れた後での王国の生活や、「ティアーズオブザキングダム」では仮面に隠されていた4人の賢者たちのキャラクター性も知ることが出来ます。

他にも太古の世界に知られざる秘密が数多く隠されているので、是非プレイしていただきたいです。

Official localization:

This game takes place during the Imprisoning War which is shown in fragments in “The Legend of Zelda: Tears of the Kingdom.”

In this Hyrule Warriors game, you'll see how the people contended with the threat of the original Ganondorf.

As a story you can only fully experience here, it doesn't just depict the battles of the Imprisoning War via a Warriors game. It also shows life in the kingdom of Hyrule after Princess Zelda is sent back in time. You'll also get to know the four masked sages from “The Legend of Zelda: Tears of the Kingdom.”

There are many other secrets hidden in this ancient world, so I highly recommend playing the game.

Translation:

This game is set during the ancient era of the Imprisoning War, shown in fragments throughout “The Legend of Zelda: Tears of the Kingdom.”

Through “Hyrule Warriors” gameplay, you will be able to experience the people's fight against the threat of the original Ganondorf.

As a story you can only truly understand through this game, the scope of battling in the Imprisoning War with “Warriors” style gameplay isn't the only thing to look forward to. You'll also get to witness life in the kingdom after Princess Zelda's arrival in the ancient world, as well as

get to know the four sages who were hidden behind masks in “The Legend of Zelda: Tears of the Kingdom.”

There are many other secrets hidden throughout this ancient world, so we hope that you will play this game.
