

LEAGUE OF HEAROES

'League Of Hearoes' is a private Minecraft server designed to be the largest online community for deaf teenagers in Australia. Each week deaf and hard of hearing teenagers the ages of 12-18 years can meet in **'League Of Hearoes'** to build epic things and to go on adventures. ****'League Of Hearoes' is a free initiative**, only the the cost of purchasing the Minecraft game (**software?**) itself needs to be managed by the players (students).

To ensure the safety of our community, all players are required to complete this form for validation. Please return this completed form to leagueofhearoesh@hearforyou.com.au and a confirmation note will be sent to your parents within 2 working days. Once we receive secondary confirmation from the parents, we will send the **'League Of Hearoes'** server code to the email address provided by the players in this form.

You can learn more about this initiative here: <https://www.leagueofhearoesh.com>
