business stuff

It's working out.

Future #1

I went to bed early last night.

Sometimes, when we talk about the future, we describe OUR plans and decisions.

We can control the future.

The sun will set at 4:30 this evening.

Will - decided at the moment of speaking

Be going to - plans

Present Continuous - arrangements / plans

May / Might - Unsure plans

Capital letters
punctuation .

This is a sentence .

I am going to exercise.

Which movie are you going to see?

I may have a bowl of porridge.

I might cook some eggs for breakfast.

I'm eating a cheese sandwich for dinner.

- I'm going to eat a cheese sandwich for dinner.

I'm flying to Melbourne tomorrow.

- I'm going to fly to Melbourne tomorrow.
I'm having pasta for dinner.

eat

drink

smoke

take (a bath / shower)

do (class, a meeting, a conversation)

I might walk my dog

if the weather becomes / gets better.

I am going to listen to your class

until it finishes.

I might go to China if I have enough money.

Maybe I will not have enough money.

We are going to talk about if in Unit 9.

Sometimes we cannot control the future.
So, when we talk about this, we need to
guess.

The box is going to fall.

be going to = if you can see the future now
will = for other things

2020

Tokyo

According to the weather forecast, it's
going to be sunny tomorrow.

I'm going to university at night.

I'm graduating in 2020.

I'm going to graduate in 2020.

graduate
