General Informations:

Hello! I'm Lumi, a young Italian digital artist that loves bringing her ideas to life. Thank you for being interested in my commissions! I'm always up to answer questions, discuss details and talk about pricing, so please let me know if you're curious about anything!

- ★ I reserve the right to decline any request I'm not comfortable with or if I feel that it is out of my skill range.
- ★ My commissions are not first come, first serve.
- ★ Workflow is very flexible and delivery time depends on my schedule and by how quickly the client replies to any WIP updates they receive. I usually take around 2-8 weeks per piece. Any delays from the artist will be discussed with the client.

- ★ Please provide as many details as possible when starting a request: this includes clear references with flat colors and/or palettes (heavy fx and shade/light make colors harder to identify. Cell shading is okay), any other reference for poses or backgrounds, and simple and clear descriptions of the piece you're requesting.
- ★ Communication is key for me. I will always be very talkative during any commission process.
- ★ The price for any additional character(s) is 50% of base price.
- ★ Price may increase for complex designs, detailed backgrounds, difficult props, or any general add-ons. Any price adjustment will be discussed before requests are confirmed.
- ★ My commissions are for personal use ONLY. Commercial use will have a price increase, depending on the service.
- ★ Rush commissions make you able to skip the queue, but they have a price increase. Depending on how close the deadline is, the price may increase either at a 50% or 100% of base price.
- ★ If the client has stopped responding beyond a month upon update, it will be considered completed unless decided otherwise, and there will be no refunds.
- ★ Please do not ask for updates every few hours/every day. You're always welcome to ask for updates if I haven't updated you in a week; It's your commission after all!
- ★ I'll send the finished product through either email or google drive, it will be an unwatermarked copy of their commission in PNG format 300dpi, followed by a JPEG 300dpi one that is watermarked for sharing online. Reference sheets come only in PNG 600dpi watermarked.
- ★ I'm always experimenting with my art style, so the end product may possibly differ by a little compared to commission examples.
- ★ By commissioning me in any kind of way, you are agreeing to the terms of service above and below.

Payments & Refunds:

- ★ All payments are in EUR/€.
- ★ I accept **Paypal (invoices only)**, **Vgen** and **Ko-fi** for payments.
- ★ **NEVER** leave notes in Paypal payments. If you do, you'll be blacklisted and your commission is cancelled.
- ★ Payments are 100% upfront.
- ★ In case of the commission price going over 150€, payment plans or payments in half can be requested.
In case of half payment, it's 50% before sketch, and 50% once the piece is ready.
- ★ The piece will not be delivered until the payment is fully covered.
- ★ If the client appeals any chargeback/dispute, it will result in being blacklisted.
- ★ Refunds are strictly prohibited once I start working on the piece. If there might be an emergency, it can be discussed.
- ★ Refunds will be proportionated by the hours of work I've put in the piece.
