

- How would you define alcoholism? Work as a group to write a brief definition. Based on this conceptualization, draw an **operationalization diagram** (see back for example) to describe a method of measurement that would be valid for a study of alcoholism. Be sure to clarify what are your concepts, dimensions, variables, and operational definitions.
-

Definition:

Concept

Variables

Operational Definitions

- Now visit [NIH - National Institute on Alcohol Abuse and Alcoholism \(NIAAA\)'s website](#). Locate the section where NIAAA defines alcohol abuse. Is the information provided on their site consistent with the definition you developed?
