The Solana Marks are the exclusive property of the Solana Foundation, which is a not-for-profit organization dedicated to the decentralization, growth, and security of the Solana network. These Guidelines are intended to help do that, and all uses of the Solana Marks are subject to these Guidelines. If we find, in our sole discretion, that any use of the Solana Marks is contrary to our mission or contrary to these Guidelines in any manner, we may require you to stop use of the Solana Marks.

Ownership. Use of the Solana Marks, in any form, does not grant you any ownership or independent rights in the Solana Marks, as all trademark rights remain exclusively with the Solana Foundation.
