

Welcome to WE! Printernet Gazette
October 2019

The folded one-page (front and back) below was a prototype for the statewide newsletter that I was dreaming up in 2019. I printed five color copies to hand out at UN Day 2019 at the Gainesville Woman's Club. Much of this is still in the Seed Idea stage in 2025.

Who will help us make this vision a reality?

What would you give for a world that works for all?

Quick! The window of opportunity is closing! It's time to play the Sustainable World Games!

Join Auntie Sage in the Gardens of Global Unity, where people of all ages are sowing and growing a Culture of Peace, planting Seeds of Hope, growing Seed Ideas from Vision to Reality.

In Storytelling Circles all over the world, Auntie Sage tells about the early days of the Sustainable World Games.

- In the 1960s Buckminster Fuller challenged young people to *"Make the world work, for 100% of humanity, in the shortest possible time, through spontaneous cooperation ..."*
- Secret Agents of Compassion played the Global Unity Games in places of work and worship, learning and play
- Pacha challenged children everywhere to create Nature Festivals for Earth Day's 50th Anniversary.

And the rest is history! It's our generation's turn to tell what happens next in the Story of Life on Earth. We're all on the Road to 2020, 2030, 2050 and Beyond.

Join Pacha, Sage, the Secret Agents of Compassion and Everyday Heroes as they take on the social and environmental challenges of our time with the network of networks in the movement of movements for a world that works for all.
