

AgeWell CareLink Nigeria Sponsorship Proposal Official Launch & Conference

Theme: Caring Forward: Building Integrated Care Systems for the Older Generation in Nigeria & Beyond

Date: Wednesday, 20th November 2025

Venue: NMA House Igbatoro Road Akure, Ondo State, Nigeria

1. Executive Summary

Africa is experiencing a demographic shift. By 2050, over 20% of Africa's population will be aged 60 and older, according to WHO. Nigeria faces a critical challenge: fragmented healthcare systems, limited geriatric care, and societal neglect leave many older people underserved.

AgeWell CareLink is an innovative healthcare platform designed to bridge this care gap. By connecting older adults, families, and healthcare professionals through **integrated, personalized, and culturally sensitive solutions**, AgeWell CareLink empowers older people to age with dignity, independence, and optimal health.

Our official launch and conference on **November 20th, 2025, in Akure, Ondo State, Nigeria** marks the beginning of a journey to transform elder care in Nigeria and across Africa. We invite **sponsors, funders, and partners** to join us in creating sustainable, high-impact elder care solutions.
