

Post Higgsfield AI Seedance 2.0 Clips — Drive Viewers to Try the #1 AI Video Model

✓ You do not need a dedicated page for this campaign to participate, you can post on any page

Your page **NEEDS** to have **50%** of its audience be located in Tier 1 country.

WHAT TO DO

Download clips from the official Higgsfield AI Seedance 2.0 Media Kit and post them to TikTok and YouTube Shorts. Your goal is to pick the most visually impressive clips, post them with a strong caption, and make viewers curious enough to go try Seedance 2.0 themselves.

NEW CONTENT(VIRAL) YouTube Video: https://www.youtube.com/watch?v=LQ-vSa9_H98

⚠ Do NOT use footage from any source outside the official Media Kit. Clips from outside sources will be rejected immediately.

BIO LINK (OPTIONAL - But Highly Recommended)

You are welcome to add the following link to your bio on every platform you post to for the full duration of this campaign. This is how we can track conversions.

Bio Link: <https://higgsfield.ai/s/seedance-2-0-clippingculture-QVPYmK>

Do NOT use a generic higgsfield.ai link in your bio if you do include a link in bio — use this exact URL only. This is the only link that tracks your conversions.

ONSCREEN LOGO (REQUIRED)

Every clip you post must have the higgsfield logo on it. The logo must be clearly visible — not small, not obscured by other text or UI elements, and not covered by captions or overlays.

Watermark file: <https://drive.google.com/drive/folders/1dDTI8YPyeN5d1C9tzjDvbFpKxZpEgC5q>

⚠ Posts without a clearly visible watermark will be rejected.

CAPTION GUIDELINES (REQUIRED)

Your post caption must include one of the following lines (or something very close to it). Pick whichever fits your style best:

- Seedance 2.0 just dropped on Higgsfield AI and I'm not okay
- Seedance 2.0 on Higgsfield AI is breaking my brain right now

- This is what Seedance 2.0 looks like on Higgsfield AI. Yeah, it's that good.
- Higgsfield AI just unlocked Seedance 2.0 and it's out of control
- Someone needs to nerf this AI model immediately
- Not gonna lie, this AI model kind of frightens me
- This AI model is dangerously impressive
- If this doesn't blow your mind, nothing will
- This should not be possible
- I am not okay after seeing this
- Seedance 2.0 on Higgsfield AI is actually insane
- AI video just changed forever

Always end your caption with a direct call to action pointing to your bio link. (REQUIRED)

Examples:

- Link in bio to try it free.
- Full access in bio.
- Go make yours — link in bio.
- Try it yourself, link in bio.
- Link in bio to generate your own Seedance 2.0 clip free.

Do not just drop the hashtags and leave. Your caption should make the viewer feel like they're missing out. Curiosity sells. Avoid vague CTAs like "check it out" — be specific and direct.

CAPTION HASHTAGS (REQUIRED ONLY FOR TIKTOK) Do not put hashtag in the caption, please put the CTA requirement above this. The reason is because YT shorts has a 100 character limit, so you can't fit the CTA and the hashtag so don't worry about it.

You must include all four of the following hashtags in every post caption:

- [#higgsfieldai](#)
- [#higgsfield](#)
- [#seedance2](#)
- [#seedance](#)

You may add additional relevant hashtags as you see fit.

ON-SCREEN TEXT (OPTIONAL)

On-screen text is your creative call — captions on the video itself are flexible. If you do include on-screen text, use it to drive curiosity and push viewers to the bio link. Suggested prompts:

- "Make this yourself" with an arrow pointing toward bio
- "Try this free" with an arrow pointing up or toward bio
