to me, News ▾

Hi Clinton,

Please see the below information from Sarasota County Transportation:

Sarasota County utilizes guidelines provided in the Florida Department of Transportation (FDOT) Traffic Engineering Manual (TEM) for the yellow and All Red signal timing intervals.

These guidelines are provided on page 138 to 141 Chapter 3 Section 3.6 of the TEM. A free copy of the FDOT TEM can be viewed/downloaded from the link below:

https://fdotwww.blob.core.windows.net/sitefinity/docs/default-source/traffic/traffic-services/studies/tem/tem-2025/2025-fdot-traffic-engineering-manual.pdf?sfvrsn=a7778316_1

Thank you,

Sara Nealeigh
