

Team Apparel & Spirit Wear

It is a tradition of most high school sports teams to offer spirit wear options each season. Some teams offer the same apparel, and other teams offer new options each season. The tradition of Richfield Swim & Dive is that the senior captains choose new items each season and these are offered for a short time via a Team Store from a local vendor. These purchases are **not required** and offered as a courtesy because so many high school students enjoy wearing team apparel. *If your student only purchases one item, we highly recommend the sweatshirt since this is the most common purchase.* Many Parents typically purchase a T-Shirt for themselves to wear to the swim meets. Student account dollars can be used to purchase Team Apparel by following these [directions](#).

Current year apparel store link can be found on the "[Forms](#)" page of the website.

AHA students compete under Richfield Public Schools, therefore the team name is Richfield Spartans or Richfield Swim & Dive. We have tried to use the name Richfield Swim & Dive whenever appropriate to help incorporate both teams. AHA students can only wear approved spirit wear to school. Please see the [Stars Spirit Store](#) to purchase these school approved items.
