

How to Give

Sub Heading: Contribute to the ongoing needs of Holy Trinity Church Geneva

Our mission as a city centre church in Geneva serves not only our internationally diverse congregation, but also offers an open door to all who come to us in need. We foster the living tradition of Anglican worship, and the importance of music, and embrace a lively youth programme.

Over 80%, of the church's finances comes from your donations. Without your support we would no longer exist.

You can provide financial support to Holy Trinity Church Geneva and our sponsored causes in a variety of ways, by:

- Placing a cash donation in the collection plate during a service
- By using the electronic credit/debit card machine in the Church
- By using our [online donation form](#)
- By using the QR code or TWINT details below
- By setting up a regular standing order or one time bank transfer using the banking information below.

We encourage you to also consider setting up a regular pledge. Pledging allows us to plan effectively for expenses and can be geared to your needs and preferences. Click here for more information on the Pledge [Scheme](#).

Commitment to ongoing support of Holy Trinity Church Geneva

About 50% of our income for day-to-day operations is provided through the Pledge Scheme, whereby members make regular (often automated) payments to the church, so that our expenditure can be planned properly.

The Pledge Scheme Administrator is **Ursula McGregor**, phone 022 342 3227. Please contact her if you are interested in knowing more, or fill in the [Stewardship Pledge Form](#) and return the form to the church. If you are a Geneva taxpayer, you can also substantially increase the value of your gift by making it tax-deductible. (Learn more)

The Geneva tax authorities currently accept financial donations to charitable institutions registered in Geneva as a deductible from taxable income. Holy Trinity Church Geneva (HTC) is such a charitable institution. Please note that this may not apply if you are taxed "at source".

What does this mean in practice? Suppose you give CHF 200 per month to HTC, which represents CHF 2'400 per year. Since this amount is deductible from your taxable income this means a saving of up to 25% or perhaps even higher, depending on your precise tax situation. So that is a saving of CHF 600 per year. You could consider increasing your pledge to CHF 250 per month thus giving HTC the benefit of the savings. The Pledge administrator provides tax certificates for all contributions by the end of February of the following year to enable you to include your charitable donation in your Geneva tax declaration, due at the end of March.
