

At a local pizzeria, a HYPNOTIST struggles to believe that VIC is immune to hypnosis.

HYPNOTIST

No! I refuse to believe it! Anyone is subjectable to hypnosis and mind control, and that includes you!

The HYPNOTIST then reaches into their bag and grabs a trinket to wear.

HYPNOTIST

If I wear this new trinket, my powers should be strong enough to hypnotize even you! Now, look deep into my eyes... Try a slice of this delicious pineapple pizza...

VIC

No.

HYPNOTIST

What do you mean "No"?

VIC

I told you. I'm immune to hypnosis.

The HYPNOTIST inhales deeply as the audio loops back to the beginning.
