

Greetings from IRO ITB!

The **International Relations Office** (IRO) is a division that operates under the Bureau of Partnerships, Institut Teknologi Bandung (ITB). It is the brand name for the Division of International Relations of the Bureau of Partnerships. In addition to managing the university-wide global mobility programs (both outbound and inbound), specifically programs with the partner universities of ITB, IRO ITB provides professional support and advising services to international students who are coming for full-time degree-seeking or exchange semester study at Institut Teknologi Bandung.
