

## The Black-Briars Family: A Tale of Revenge and Lust

### Short Description:

This story is a parody from Skyrim with the Clan Black-Briar. As soon as the DragonBorn enters Riften, Maven Black-Briar lures him for sex and then accuses Dragonborn of stealing and goes to Jail. There he meets Maul, Maven's former bodyguard, who is in Jail because he was falsely accused of murder and Maven doesn't believe him.

They escape Jail and they sneak inside the Black-Briars Manor to fuck Maven and Ingun while Hemming, Maven's husband, is out on Business.

Maven: Such courtesy ( smile ). Dragonborn, I have a job for you, a job you can't refuse.
