

Navigating the New Student Timetable Each Week

Where Should I Be When?

This schedule applies to all students whose timetable is made up of ONLY mainstream courses. It does not apply to students in SSP, PLP or DEV classes.

Important to Know:

- Our year has now been divided into 4 quadmesters instead of 2 semesters
- Each Quadmester – students will study 2 courses in 45 days.

The mainstream students in the school have been split into two main cohorts or groups. **These cohorts only apply to morning courses.** Afternoon learning includes the entire class both cohorts simultaneously.

Group 1 – Cohort A/C or more simply A

Group 2 – Cohort B/D or more simply B

- Cohort A/C will consistently attend school in person on Mondays and Wednesdays mornings
- Cohort B/D will consistently attend school in person on Tuesdays and Thursdays mornings
- On Fridays Cohorts will rotate (but not weekly) and it will be important to check whether you will be attending each particular Friday.
- What will alternate on a weekly basis is which course you'll be doing in person

On the following pages, we have provided the dates and times that each cohort will be in person at school and which course they will be doing.
