We're IN THE SAME PLACE, blooming blossoms

Give me, give me that (mwah), so YUM YUM

DON'T MATTER, caught you on my FINGERTIPS

Hey boy, I really want you on my lips

mangseoriji malgo, jujeohaji malgo

kkumuldaeji malgo, bingbing dolji malgo

ni sarangeul naege modu gajyeowa

Lose myself when I'm with you, boy

Know how I feel, don't play me like a toy

Grasp my hand, tell me you understand

This racing heart is under your command

You and me, together, that's right

Loving like Bonnie and Clyde, that's wild

No matter what time, you'll always be mine
